HAMILTON, N.J., Feb. 4 /PRNewswire-USNewswire/ -- Super Bowl is the last desperate effort to break even for the season... it can be a double or nothing event for the problem gambler. The excitement and emotion associated with the Super Bowl is often not limited to the pass that scores a touchdown or an amazing interception. It is often the money riding on the game that proves to be more important than seeing a favorite team earn themselves a victory. When does betting on sports become a
